## Congratulations Nadine - German National Champion

*Congratulations to Nadine winning the German National Women's 69kg welterweight amateur title. Nadine trained with us for a number of months this year while completing her Masters thesis in Neuro-Science at Sydney university. Although having over 10 fights on her resume already when she came to Sydney, her time here saw her on an upward curve first winning NSW state titles and then won or narrowly lost against the best girls in Australia. We wish Nadine all the best both for her boxing career but also for her scholastic studies embarking on her PHD. I thank her for coming to us and for also giving us our first national champion even if it is from another country. All the best for your future from all at Joe's Boxing.*

**Joe's Fight Night**  
 Unfortunately with State titles being scheduled in September I have had to postpone our fight night yet again to the 22nd October but this will have to be the firm date as it will start clashing with Christmas parties after that. If you want to fight on the night please let me know or if would like to help in anyway.  

**What's Been Happening Here**

We have been very active in competition since our last newsletter having 5 fights in 3 separate shows. Rhys, Adam & James fought at the Croatian Club on 1st July. This was not the happiest of night both because the decisions didn't go our way but also because certain trainers were able to get in and change the order of the fights and not notify anyone meaning we were called up totally unprepared and Adam ended up getting a really raw deal. But we copped it on the chin and as they say 'That's Boxing'.

Thankfully this was made up for with Rhys scoring a massive knockout at Bondi RSL on the 30th July and Ross putting in a credible performance in an exhibition bout at the Portuguese Club in Marrickville on the 3rd of August.

**THE BIG RING**

**Danny Green appears set to seriously consider his boxing future after being soundly beaten by Antonio Tarver in their IBO cruiserweight title fight**

Danny Green appears set to seriously consider his boxing future after being soundly beaten by Antonio Tarver in their IBO cruiserweight title fight in Sydney tonight. On a night when Green admitted he "couldn't do a thing right", a dominant Tarver landed a string of fearsome lefts that rocked the Perth world champion. Green's camp eventually called the fight off at the end of the ninth, with the 38-year-old clearly rattled by a flurry of blows from Tarver.

**Billy 'The Kid' Dib**

Newly crowned IBF featherweight world champion Billy Dib is eyeing a massive unification fight with superstar Chris John and looks set to lead a new Australian boxing boom, spearheaded by the little guys. Dib's unanimous points win over Mexican Jorge Lacierva on Friday meant he joined Australian legends Jeff Fenech and Johnny Famechon in winning a world featherweight crown.

With Daniel Geale holding the IBF middleweight title, it is one of the few times Australia has simultaneously had two universally recognised world boxing champions. Geale was among the crowd at the Sydney Olympic Park Sports Centre, who watched Dib dominate Lacierva with his speed and elusiveness.

"I feel really proud of the way that I fought, it was smart, it was a tactical fight and I did everything I had to do in the fight to secure another world champion for Australia," Dib told AAP on Saturday. The Dib camp are looking at a voluntary defence in Australia in December, before a potential unification title clash with Indonesian John, widely regarded as the planet's premier featherweight after holding the WBA crown for the past seven years.

**Daniel Geale 31st August**

Nigerian, Eromosele "Bad Boy" Albert now (24-4)12KO's will challenge current IBF Middleweight Champion, Daniel Geale (25-1) 15KO's on August 31, 2011 at Derwent Entertainment Centre, Hobart, Tasmania, Australia.

Albert represent his Country in 2000 Olympics in Melbourne, Australia. He began his professional boxing career on February 6, 2001 with a first round knockout of Nikolai Ermankov. He has 24 wins, 4 losses with 12 knockouts.

**KARATE CORNER**

The standardization of the 6pm classes to be Boxing workout classes has been very successful with numbers being very good over the week.

We have now two classes running on Monday & Thursday at 4pm. For Martial Arts. Monday concentrates on empty hand skills of Karate, Boxing & Judo and Thursday's class is devoted to sword training.

Again as we only have a small number of kids but there is room for plenty more

**Membership Specials**

It is important for our school to have a solid monthly membership take. Although I try to be as flexible as I can the students who sign up on a monthly membership via direct debit or credit card are my favourites as they show real commitment and support to the program. For everyone who converts to a monthly membership @ \$30 per week I am offering two free half hour private lessons with me to be taken whenever.

**Wanted**
